

Student Satisfaction Survey

This spring, as you studied the cell, your teacher used some enhancements – Question Exploration Guides, Concept Diagrams, Comparison Tables, and Anchoring Tables.

Please indicate below how satisfied you are with the enhancements as a way of understanding information and studying for a test. Answer each of the following questions by circling the number that best describes how satisfied you are with the use of the enhancements. A response of **1** says that you are **completely dissatisfied** while a response of **7** says that you are **completely satisfied**.
